We **ACCEPT** the following items:

- **vegetables, fruit** (except citrus), **herbs**
- **meat, seafood, and eggs**
- **grains**
- **bones**
- **coffee grounds** (kept separate from food scraps)

We **CANNOT ACCEPT** the following items:

- citrus fruits (oranges, lemons, limes, grapefruit)
- waste products such as napkins or paper goods, plastics, or other manufactured items

As part of our partnership, we ask you to bring your food scrap buckets/bags to Cold Spring Farm where we have a designated Food Scrap area near the Farm Stand. You can empty the contents of your buckets or bags into the labeled Food Scrap bins, and we will take it from there! Please take your empty buckets and bags home with you to reuse or dispose of.

You may drop off your Food Scraps during normal Farm Stand operating hours, which are from 7 am to 7 pm, every day of the year! 😊

Thank you for your eco-friendly efforts and for helping us make beautiful compost!
